MEMORANDUM FOR: Mr. [REDACTED]

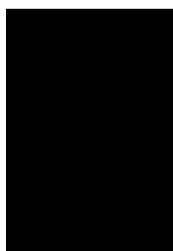

STATINTL

FROM: A. W. Dulles

I am a member of the Board of Consultants to the National War College and in connection with that work, we had some discussion at our last meeting about the participation of departments and agencies other than State - which is already well represented - in the work of the College.

As I recall, some years ago I wrote Admiral Radford a letter taking exception to the fact that the C. I. A. representation at the War College was limited to two members and suggested that it be increased to three. As I recall, Rady turned me down.

I should greatly appreciate having copies of this correspondence as I did not keep them. Since I did not consider them in any sense personal, they are not in my files. Also if you could give me any clue as to the present desires of C. I. A., i. e., whether we want a larger representation on the student body, I should be very glad to see what I can do to be of help.

Have we copies of this correspondence

Copies attached of AWD letters to Gen. Craig & Adm. Radford. Appeal was unsuccessful, but we didn't get copy of Radford turnaround. Agency quota remained at two for the 56-57 class as well as for 55-56. However, we did get an added slot one of them years. Ever since, quota has been three.
